MS ENGINEERING MANAGEMENT

JACKSONVILLE

Earn your Master's Degree in Engineering Management from the UF Department of Industrial & Systems Engineering in Jacksonville. This program is ideal for working professional students who want to accelerate management careers without losing their technical roots. A unique combination of technical and leadership courses teaches students skills to bridge the gap between contributing teams and executive decision makers.

WEEKEND PROGRAM

Classes meet on the weekends every 3-4 weeks, allowing professionals to obtain an in-person UF degree, without a career interruption.

SPECIALIZED LEARNING

Students will select a concentration for technical management in **Data Analytics** (2026) or **Smart Manufacturing** (2027).

Located in the historic LaVilla neighborhood, UF Jacksonville is more than a campus — it's a bold commitment to Florida's future. Join UF and Jacksonville in a historic partnership in one of the fastest-growing metro areas in the U.S.
